How Blue is Your Landscape?

A special workshop for property managers and landscape maintenance staff that explores how to save water and grow the bottom line

Tuesday, January 24 Raley Field

Come listen and interact with the **Regional Water Authority** and **Sports Turf Management Team** at Raley Field and learn ways to create beautiful landscaping that can save your properties' water and money.

The workshop will feature two tracks:

- **For property management executives and supervisors:** Learn how landscaping impacts water bills and maintenance costs, as well as new incentives and rebates available to make water-efficient upgrades
- **For on-site property managers and landscape maintenance staff:** Learn how to spot irrigation and landscape inefficiencies, as well as tips on scheduling, maintenance and new technology
