

2013 4-H Spring Fair gives you the chance to

# Show, Tell and Do

Tables are available for individuals or small groups, in one hour shifts, to share your projects and interests with other 4-Hers, and for you to give presentations in a relaxed environment. Besides being a place to do an “official” 4H presentation, this is your chance to show what you know! Need ideas? Host a “make and take” of that cool new craft! Show others how to decorate that cookie! Educate other members about your animal! Quiz 4-Hers on 4-H trivia! Design your own way to “show and tell” about your project. Interested members, please email [bcharles@surfnetusa.com](mailto:bcharles@surfnetusa.com) or call 831-239-6820 with your name, topic, email, and shift preferences (send your top 2 choices- 10:00, 11:00,12:00 or 1:00). A completed ½ hour counts as a #2(if part of a current project), a #4, or a #6 in your record book, (counts as a starred presentation if you follow presentation guidelines)

**Share in the fun with your show and tell!**
