

# COME RACE AT THE SPRING FAIR!!!

If you have a hobby grade RC car or truck come race with us at the spring fair.

If you don't have a hobby grade RC at least come check us out and even try your skills at driving one of the extra RC cars.

We will have a small track in the cow barn and you can come check us out from 10:30 till 11:30

Come bring your RC car and we will have power if you need to charge your batteries

Come have some fun and win some prizes or just watch and learn

We are starting a new county wide RC project, come see what it's going to be like and get some more information from Kevin Turnquist

Cow barn

10:30 – 11:30
