

## **ANR Cooperative Extension Risk Assessment Risk Categories**

### **Representation of ANR/ CE by Others**

**General Description:** Risk that is associated with county employees or UCCE volunteers who present themselves as representing, or speaking for, the University. As these individuals are not always totally aware of University procedures, practices, or protocol, this misrepresentation is an area of exposure.

#### **Specific Examples:**

- A. County Employees
  - 1. County employees speaking on behalf of or representing UC at public meetings.
  - 2. County staff will misrepresent UCCE with their own personal agenda.
  
- B. UCCE Volunteers
  - 1. Risk of volunteers speaking on behalf of UC at public meetings and elsewhere.
  - 2. Volunteers will represent UCCE with their own non-scientific agenda.
  - 3. Volunteers agreeing to be listed as a sponsor for an event.
  - 4. Volunteers having a reputation in the community which impacts on UCCE.
