

ANR Cooperative Extension Risk Assessment Risk Categories

USDA Interactions

General Description: **USDA and UCCE mission/mandates regarding program directions are not always compatible, resulting in the risk of mixed expectations from clientele and possible funding insecurity.**

Specific Examples:

- A. CE/ANR has ignored USDA program thrusts.
- B. Federal Government (USDA) issues mandates or/and program restrictions that do not mesh with UC/ANR mission/policies.
- C. USDA quoting to farmers they should contact the CE or local Farm Advisor for assessments for crop failures.
