Vineyard Pest ID and Monitoring Cards

Stay on top of pest activity in your vineyard

Keep your vineyard healthy with these sturdy, pocket-size laminated cards. This is the perfect field reference, *now available in both English and Spanish!*

What's inside?

- 41 common pests, 11 diseases, 23 beneficial insects, and more
- Description and close-up color photo of each pest—244 photos
- Description of life stages and monitoring tips for each pest
- Handy built-in measurement scales
- Sturdy rivet to keep cards together

These cards are a must-have for identifying and monitoring diseases and pests in your vineyard. 50 cards per set. Sold in a pack of 1 English set and 5 Spanish sets or 1 English set and 1 Spanish set, and sold separately.
