Local Wildflowers

The area around Lake County abounds with wildflowers all year long. Come to the Lakeport Library for a presentation that will assist you in identifying and appreciating the diversity, abundance, and beauty of California's wildflowers.

A Presentation by

Barbara Haddon

University of California Master Gardener

Saturday, March 2, 2013

2:00 p.m.

Lakeport Library

1425 N. High Street, Lakeport
