

California School Garden Training Program

Creating and Sustaining Your School Garden

A two-part workshop for developing and enhancing School Garden Programs

Presented by: University of California Cooperative Extension – Ag and Environmental Literacy Program and the Lake Tahoe Master Gardeners

Date: Tuesday, August 20th 12:05 p.m. – 3:30 p.m. – Part 1
Saturday, August 24th 10:00 a.m. – 12:30 p.m. - Part 2

Locations: TBD in the South Lake Tahoe/Meyers areas

Cost: FREE!

The CSYSG Workshop is for teams working to create or enhance a school garden program. This workshop covers planning and designing a school garden, gardening skills, curricular connections, and outdoor classroom management --- all specific to Lake Tahoe growing conditions!

Advanced registration is required. School garden teams (teachers, parents, volunteers, school administrators and other personnel) are encouraged to attend. Locations and directions will be emailed to registrants by early August. To register go to http://ucanr.edu/tahoe_school_garden_workshop_2013. View training agenda and gather more information at www.csgn.org/csysg. Questions? Contact Wendy West wkwest@ucanr.edu or 530.621.5533

Workshop model created by:
Life Lab Garden Classroom, Santa Cruz, CA
UC Davis Children's Garden Program
Resource Conservation District of Greater San Diego County
in collaboration with the California School Garden Network.
The California School Garden Training Program is funded by
California Department of Food and Agriculture Specialty Crop Block Grant.
