

March 2013

MG Survey

- Corinne
- Half sheet handouts in the back – fill out and leave on table at end of meeting

- PlantRight Presentation
- Greg Richardson & Chris Crawford
- www.plantright.org/

Volunteer Events

Monthly workshop speakers

- We still need
 - June Water Manteca and Lodi
 - July Turf Removal/Alternatives Manteca (July 20th)
 - August Compost Lodi (Aug 10th)

Lockeford PMC Peoples Garden

- The Lockeford Plant Materials Center is participating in the [USDA People's Garden Program](#). We have an established xeriscape garden with drought tolerant native plants and in 2011 and 2012 had a vegetable garden and donated produce to the local food bank.
- The Lockeford Plant Materials Center is a 106 acre site, with greenhouses, a lath house and a conference room for training.
- The Master Gardeners would provide volunteers and gardening expertise. We would provide training opportunities and an alternate site for outreach to the community.

Commodore Stockton Skills School

- Commodore looking for help with drip irrigation system
- Raised garden beds are in place, students and teachers want to install but don't know how
- MG needs to be knowledgeable in drip irrigation

Journal Marketing Committee

- Looking for MGs interested in being part of a marketing team to organize details in getting journals out
- MG volunteers can help sell once we have all the details worked out and our “kits” ready to go.
- Looking beyond local nurseries. Wineries, fruit stands, specialty shops.
- Do you have any suggestions? Let Marcy know!

Community Garden in Tracy

- Current MG trainee (Joe Carrisalez) is looking for assistance in starting a community garden
- Redbridge HOA Community Garden
- They have support from the HOA
- Local Boy scouts looking to help as well
- Redbridge & Lammers Rd.

Kindergarten Field Trip

- March 28th (Thursday)
- 8 am set up – kids arrive at 9
- Dos Reis Park- Lathrop

- 15 min presentation on soils and crops grown in the delta to 6 groups of students.

All-Hands-On-Deck Demonstration Garden Work Day

- Friday, April 5, 8:30-12 Noon.
- Lunch will be provided.
- Tasks to be accomplished: Groundcover removal, fuchsia removal, weeding, planting, mulching.
- Please help: the more people we have, the more we can get done in a shorter amount of time!

Lodi Flower Pot Project

- 55 pots in downtown Lodi
- City will pay for plants, MGs will design and maintain them (replanting dead plants, pruning)
- Planning meeting will be Saturday April 6th 10:00 am downtown Lodi TBA
- Sign up on sheet in front and Kathy will contact you.

Earth Day

- Sunday April 21st
- Victory Park in Stockton
- 2 shifts will be available on the calendar

Food Bank Community Fair

- April 24th (Wednesday) 10-1
- Information booth, seed handout
- Sign up on VMs

Linden Cherry Festival

- Saturday May 18th
- Linden
- Information booth
- Sign up on calendar

Senior Awareness Day Stockton

- Thursday May 30th
- 8 am – 1 pm
- Information booth
- Micke Grove Park

SJ County Fair

- June 12-16th
- Looking for ideas for a kids interactive display
- Bigger MG display out of the flower building
- Any ideas?

Nursery Binder Pest Note project

- Look for an email for a work day on assembling binders of common garden pests for local nurseries

CE Units

PowerPoint training

- 2-3 MGs max per training session
- Designed for those interested in teaching workshops but not familiar with PowerPoint. Also for those that want to create PowerPoints for the MG collection
- Classes will be held at our office
- Contact Marcy if you want 1 on 1 training to set up a date and time

SF Flower Show

MG Twitter

- Harry Osell
- Directions will be posted on the collaborative tools website

Garden tour 2014

- Be on the lookout for potential sights for our 2014 tour
- Date is unknown (spring vs. fall) but we want to keep our eyes open for potential sights.
- Keep track of the address and what caught your attention

Things to remind Marcy

- I've decided its impossible to remember it all
- Every meeting I'll have a clipboard for reminders from you 😊
