

Santa Barbara County 4-H
Small Animal Science Committee
Poultry & Turkey Clinic

Sunday, October 6, 2013
Blochman School, Sisquoc
12 - 4pm

Egg Candling
Showmanship
BioSecurity
Raising Market Poultry
Poultry level test info

This is a non-competitive event. It is designed to help further knowledge for members and potential project leaders. We could use help with all areas. You do not need to bring a turkey to learn turkey showmanship. You also do not need a chicken to learn chicken showmanship but may bring your own if you would like.

***For more info contact Sheila Shank
