North Central Section Citizenship Day

Do you know the five pillars of citizenship?

Are the younger members in you club aware of the citizenship opportunities in 4-H?

Do *you* know what citizenship is?

If you answered no to any of these questions then I highly recommend that you should go to Citizenship Weekend.

You might ask, what is Citizenship Weekend?

- **What:** A weekend devoted to teaching youth what citizenship is and how to become a better citizen**.** Planned activities include Flag Retirement, Mock Trials, Team Building & Networking with other teens in your section, Environmental Awareness, Community Service Projects, Movie Night/Social Time

- **When:** October 19th -20th, 2013

- **Who:** youth ages 12 and up. Space is limited – so sign up today!

- **Where:** Las Posadas 4-H Camp – Angwin, CA

- **How:** Register online at ucanr.edu/citizenshipweekend before October 4th, 2013

- **Cost:** $50.00 (includes all meals and supplies)

Even if you already know what citizenship is all about, this is a great opportunity to learn more and learn new ways to teach the younger members of your club and community what it is all about to be a citizen.

Hope to see you there!
