

Santa Barbara County 4-H GIS Project: Building a UCSB Scavenger Hunt

This project is aimed at teaching participants about geographic information systems (GIS) through the creation of a scavenger hunt on the UCSB campus. In the process participants will hone their map reading skills, collect spatial data using a GPS receiver, and finally put all the elements together to create a map and scavenger hunt from their own imagination!

Who may participate?

Santa Barbara County 4-H Club members, ages 11 to 19
Limited to 24 participants – so sign up soon!

When?

February 1, 8, and 15 (Saturdays) from 2-5 pm

Where?

UCSB Campus, Ellison Hall, Room 2620
(We will be inside and outside - so dress accordingly)

Free of Cost for Santa Barbara County 4-H Members!

Not currently a 4-H Club member, but want to participate?

Join a local 4-H Club! Find a club near you at:

http://www.sb4h.org/Club_Websites/. Contact the club leader listed, or 4-H Program Representative Sherry Mills at 805-893-3409 or smmills@ucanr.edu for club enrollment instructions and fees.

Registration Information:

Current 4-H Club members can sign up by adding it to their enrollment in the Santa Barbara County 4-H online enrollment system

<https://ca.4honline.com/>

*****Enroll under Goleta 4-H Club – GIS/GPS: County-wide GIS/GPS*****

Questions?

Contact 4-H Program Representative Sherry Mills at 805-893-3409 or smmills@ucanr.edu or 4-H SET Key Leader Kathy Foltz at kathy.foltz@lifesci.ucsb.edu.

The Project Leaders are 4-H Adult Volunteers from the UC Santa Barbara Department of Geography and the Center for Spatial Studies.
