February 22, 2014

Open Garden Day 10AM - 2PM

Round Table Discussion 10:30 AM

Calaveras County Master Gardeners will conduct their **Open Garden Day on Saturday, February 22nd**. This is the first Open Garden Day for 2014. Located at the County Government Center, 891 Mountain Ranch Road, San Andreas, the garden will **open to the public at 10 am and close at 2pm**.

This month we will discuss the likely impacts from a potential drought. There are various strategies that can help reduce your dependence on fresh water in the garden. Obtain information and observe demonstrations in the Garden.

Calaveras Master Gardeners will answer home gardening questions as well as assist in identifying and diagnosing plant and pest problems. When the garden is not open, home gardening assistance is offered by Master Gardeners through the **help line at: 209-754-2880**. The public may leave a message regarding the problem and a Master Gardener will return the call.

The Demonstration Garden is a project of the Calaveras County Master Gardeners whose primary goal is to educate the public about home gardening. Proceeds from plant sales support the Master Gardener's education programs and maintenance of the Demonstration Garden. For additional details contact the **UC Cooperative Extension office at (209) 754-6477** or visit the Calaveras **UC Cooperative Extension website: <http://cecalaveras.ucdavis.edu>** Also check out our Calaveras Master Gardener's website for information and updates:
