Discovery Day Camp

Discover what it takes to keep our gardens growing and our animals happy and healthy. Campers will help staff with ranch chores in the mornings, followed by crafts, hikes, cooking or creek walks in the afternoons. Plenty of opportunities to make friends with the donkeys, goats, rabbits, sheep and chickens as well as time to play games, build forts, and smell the roses.

Advance registration is required and is now available online at http://ucanr.edu/sites/elkus_ranch/Upcoming_Events/
