

Starting a SUCCESSFUL Specialty Food Business

A one-day intensive workshop in Novato
February 9, 2015

Are you ready to bring your food product to the market?

In this one-day intensive workshop, you'll learn the fundamentals of the specialty food marketplace and how to start creating your own success story. You'll spend the day with specialty food business experts. Two specialty food producers will tell their stories. You will leave with a book, "Sell Your Specialty Food", a clearer understanding of the industry, and real-world answers to your questions. Lunch and snacks are included.

You'll learn:

- Dynamic forces affecting demand for specialty foods
- Terminology of the specialty food business
- Roles of brokers, distributors and retailers

And you'll learn how to:

- produce and market your product legally and safely
- build your brand
- get your product on the shelf
- price your product

Registration requested

Workshop fee: \$20.00 online by February 2
or \$35.00 at the door

Register online: <http://ucanr.edu/spfoodsmarin>

If you have a specialty food product, you can bring it to the workshop for everyone to taste. Please bring the necessary serving utensils or sample cups.
