

## 2015 Santa Barbara County LOC Field Day Leadership, Opportunity, Confidence

Dear 4-H Members and Parents

On February 28, 2015, first and second year 4-H members and their parents are invited to the first LOC Field Day. LOC stands for Leadership, Opportunity and Confidence. This Field Day will expose first and second year 4-H members and their parents to important information about 4-H opportunities, as well as tips to make your 4-H life easier and more fulfilling, while having fun. The event will be held at the Foster Road Church of Christ, 795 East Foster Road, Santa Maria from 11:45 a.m. to 4:45 p.m.

This Field Day is a Santa Barbara County Emerald Star Project. The plans for this Field Day have been made by a group of 4-H Members working towards their Emerald Star. In remembering how confusing 4-H was in the beginning, they would like to assist our county 4-H program by offering a field day to assist first and second year 4-H members and their parents to maneuver 4-H and cover valuable tips, important information and the assortment of opportunities 4-H has to offer. This Field Day will help to educate members and parents through fun and exciting sessions. We hope you can join us!
