

2014 County Presentation Day Results

Congratulations to all the presenters at the 2014 Sonoma County 4-H Presentation Day. We had 44 presentations in various formats – demonstrations, illustrated talks, audio-visual, prepared speeches, interpretive readings, educational displays, impromptu speeches, cultural arts and share the fun skits. Thank you to all the presenters, judges, room hosts and the committee for making this an outstanding day!

Those who earned a Gold are eligible to move onto the 2014 North Central Sectional Presentation Day on Saturday, March 29 at UC Davis. Sonoma County is the host so we are hoping for a large turnout! Of course, we need volunteers to make this happen. Consider being a judge, helping the committee in the tally room or with other details, or for the youth serving as a Room Host or Courier.
