

**EXISTING**

<b>Name</b>	<b>Year created</b>	<b>Participants</b>	<b>Responsibilities</b>
Internal Structure (to be integrated with Steering Committee)	2012	Nick Goulette, Jerry Bird, Angie Lottes, Rick Breeze-martin (not active)	Maintain documents; Integrate subgroups
Regulation and Policy / Forest Biomass Initiative (merged with Capacity and Existing Infrastructure January 2015)	Spring 2011	Kim Carr, Tad Mason, Christa Darlington, Elissa Brown, Bill Snyder (retired)	Comment on PUC legislative documents; Pushing forest-health adder for biomass power through PUC; Integrate forest biomass into SB1122; support SB1122
Bioenergy Action Plan and Sustainability (objectives completed)	2013	Kim Carr, Bill Snyder (retired)	Integrate CA Forest BWG agreement and priorities into state Bioenergy Action Plan
Thermal Energy (not currently active)	2010	Nick Goulette, Larry Swan, Doug Wickizer (retired)	Identify scalable thermal opportunities in California; Support existing projects
Capacity and Existing Infrastructure (merged)	2011	Larry Swan, Julee Malinowski-Ball, Jim Bowmer	Pursue support for industrial scale biomass power plants
Statewide Wood Energy Team	2013	Larry Swan, Robert Goodwin, Nick Goulette, Peter Tittmann, Rick Satomi, Elissa Brown, Tad Mason, Kim Carr, Jonathan Kusel, Angie Lottes, Mik McKee (not active), Doug Wickizer (retired), Garry O'Neill (reassigned)	Award project development support and technical assistance; Address barrier issues in thermal and power fields (i.e. technology identification, heat utilization, community outreach and networking)

**NEW 2015**

<b>Name</b>	<b>Participants</b>	<b>Responsibilities</b>
Steering Committee / Structure	Chair: Participants:	Guide meeting topics; Provide input to Membership/Communications group
Workshops	Chair: Peter Tittmann Participants: Kim Carr, Jerry Bird	Plan field trips; Coordinate workshop offerings to avoid overlapping topics and dates
Membership/Communications	Chair: Angie Lottes Participants: Christa Darlington, others	Invite appropriate players to the table; Create narrative for branding forest biomass energy; Collect and redistribute outreach material

CA Forest Biomass Working Group Subgroup Status

January 2015

<p>Regulation / Existing Infrastructure</p>	<p>Co-chairs: Christa Darlington, Peter Tittmann Participant: Larry Swan, Julee Malinowski-Ball, Jim Bowmer, Chris Trott</p>	<p>Pursuing societal benefits of biomass study; work with CAL EPA to incentivize re-contracting for existing industrial biomass plants; Continue working on Interconnection cost certainty barrier for SB1122 projects</p>
