

PAULIN CREEK PRESERVATION PARTY!

Date: MLK Day—Monday, January 18th, 2016

Time: 10:00AM—2:00PM

Location: End of Beverly Way, Santa Rosa, CA

Celebrate a National Day of Service on MLK Day by volunteering with the Watershed Stewards Program and California Sea Grant! Help remove invasive plants and reduce erosion on Paulin Creek. Plant removal and erosion reduction will help restore native plant habitat and decrease sedimentation into the creek, improving wildlife habitat and stream health.

Volunteers of all ages are welcome! We will provide snacks, extra water, tools and gloves.

Please bring closed toed shoes, rain gear and a water bottle. Volunteers are encouraged to RSVP at Jenna.Dohman@CCC.CA.GOV with the subject line "Paulin Creek" by January 15th. Drop-ins are welcome. Looking forward to seeing you out there!
