### Waking Up the Garden: Get Ready for Spring – FEBRUARY 6

*Learn about the foundation for every garden – soil – plus seed selection and planting from seeds. Send kids on a scavenger hunt search in the youth garden. Discover the basics of dehydration. And more.....*

### Let's Start Planting: Don't Forget About Canning – APRIL 2

*Get ready for the harvest of summer fruits and veggies (a little jam, a few pickles). Discover pollinators and how to differentiate the good bugs from the bad. More kid fun in the youth garden – did you plant that?*

### Harvest it! Pick it! Eat it! Preserve it! – JUNE 4

*Time to plant that giant pumpkin ... and the small ones, too! Soak up information about WATER. Harvesting those seeds the kids planted, and ... what's that? Hornworms on tomatoes and ants everywhere!*

### Gifts from the Garden and Kitchen – NOVEMBER 5

*Make a pumpkin succulent arrangement, concoct some canning gifts, and discover other unique gifts from the garden. Two words: Rat Whackers. And, of course, so much more . . .*
