

Bay Area **SCIENCE** FESTIVAL

4-H at the North Bay Science Discovery Day October 29, 2016, Sonoma County Fairgrounds (Santa Rosa)

Help promote the University of California 4-H Youth Development Program at the North Bay Science Discovery Day! Please register to help at the 4-H booth during the event where you will lead two activities: Cork Mobile and Boat Float. More information about the event at <http://www.northbayscience.org/>

Cork Mobile: Youth explore the basics of axels, wheels, surfaces, and motion through tinkering with cardboard, paperclips, and corks to design, make, and test cork mobiles.

Boat Float: Youth explore the basics of buoyancy and density by creating an aluminum foil boat to determine how the size and shape of their boat affects the weight that their boat can carry.

REGISTER TO STAFF THE 4-H BOOTH AT <http://ucanr.edu/nbscienceday>

Contacts: Steven Worker at smworker@ucanr.edu or Jessica Bautista at jbautista@ucanr.edu
