10 a.m. to Noon  
2300 E. Gibson Road  
Woodland, CA 95776

Presenters from the UCCE Master Gardeners of Yolo County, the Woodland Tree Foundation, and the City of Woodland's Environmental Services staff will talk about selecting and planting trees, pruning existing trees and keeping them healthy while conserving water. They will also discuss the tools needed to do the job. Participants will receive a water-saving bucket from the City of Woodland.

In case of rain, the workshp will be held indoors.
