Home Ec. Field Day

February 25, 2017 – 8:30 a.m. Registration/9:00 a.m. Event
General Shafter School -1825 Shafter Rd. Bakersfield, CA 93313

Home Ec. Field Day provides youth who participate in any 4-H food project the opportunity to test their skills. In addition to entering a food item they have prepared, members may also take part in the table setting contest, nutritional workshops and games, and the Nutrition (Nut) Bowl event. The event is progressive and you enter by the year in which you are participating in a food project. You will determine the year you are by what year in cooking you are currently enrolled in. (For example you just finished your first year in cooking, and are starting your second; you are a second year cooking member.) You can find more detailed information you will need to follow within the various categories on the Home Ec. Field Day General Information book (Favorite Foods Book). This book can be found on our county website in the events page at:

http://cekern.ucanr.edu/Youth_Development/4-H_Events/.

ALL entries **MUST** have a table setting. (It does not have to be themed to match your food dish, **unless** you are choosing to enter in the optional ‘Themed Category’). It is also mandatory that members include their recipe card and their menu planning sheet with their entry. These forms are available for download on our county website!
