

Year-Round Kitchen Gardening

This FREE ongoing series offers seasonal presentations (usually monthly) about kitchen-based gardening. The next class will be April 23, 2017.

March's class in this series will discuss planting the spring kitchen garden by seed, including edible flowers and herbs, pruning and cutting down cover crops, feeding garden beds and fruit trees, and what to harvest this time of year to bring it into the kitchen.

March 26, 2017

2 - 4 p.m.

Mary L. Stephens Library

Small Conference Room

315 East 14th Street, Davis, CA

Presented by UCCE Master Gardeners-Yolo County. For more information, contact 530-666-8737, mgyolo@ucanr.edu, <http://yolomg.ucanr.edu/>
