

Backyard and Worm Composting

Woodland Community College Public Education Workshop

Saturday, April 29, 2017
10 a.m. to 11:30 a.m.
2300 E. Gibson Road
Woodland, CA 95776

Learn how to turn your garden, lawn, and kitchen waste into a valuable soil amendment and discover how wiggler worms can munch up all your kitchen vegetable scraps. Some free worms and worm buckets will be available.

Presented by UCCE Master Gardeners-Yolo County. For more information, contact 530-666-8737, mgyolo@ucanr.edu, <http://yolomg.ucanr.edu/>
