

Controlling Pests

while saving the

Beneficials

Woodland Community College Public Education Workshop

Saturday, May 20, 2017
11 a.m. to 12 Noon
2300 E. Gibson Road
Building 400
Woodland, CA 95776

Learn from UC Master Gardener-Yolo County Barbara Ohlendorf how to keep garden pest populations in check, while making your garden attractive to beneficial insects and pollinators. FREE!

Presented by UCCE Master Gardeners-Yolo County. For more information, contact 530-666-8737, mgyolo@ucanr.edu, <http://yolomg.ucanr.edu/>
