

Grow Sweet Potatoes at Home

California is a major producer of sweet potatoes, and they can also be a success in your home garden. Pam Thomas and Willa Pettygrove will guide you through hands on experience planting sweet potato "slips" in Grace Garden, and provide tips on growing from slips or home-grown starts. Extra slips will be provided to those wanting to try this fun crop at home. FREE!

Saturday, May 6, 2017, 9 a.m. to 11 a.m..
Grace Garden, behind United Methodist Church,
1620 Anderson Road, Davis, CA 95616

Presented by UCCE Master Gardeners-Yolo County. For more information, contact 530-666-8737. mgyolo@ucanr.edu
