

Extending **Color** in the **California** **Native Garden**

Woodland Community College Public Education Workshop

Saturday, Sept. 30, 2017
9 a.m. to 10 a.m.
2300 E. Gibson Road
Building 400
Woodland, CA 95776

The California native garden does not have to be drab in the summer after the Spring floral show is over. UCCE-Yolo County Master Gardener Sue Fitz will talk about several species that are willing to flower all summer, with a bit of extra effort. **FREE!**

Presented by UCCE Master Gardeners-Yolo County. For more information, contact 530-666-8737, mgyolo@ucanr.edu, <http://yolomg.ucanr.edu/>
