NATIVE AMERICAN HERITAGE MONTH

Living in two Worlds Oak Tree Preservation Forum

Wednesday, November 29th, 2017

5.00 pm—7.00 pm

Rincon Tribal Hall

This informational forum will give updates and tips to protect our Oak trees from the Gold-spotted Oak Borer and Shot Hole Borer Beetle. These invasive insects are threatening oak trees on Southern California Reservations.

The event is free of charge. Everyone is invited.
