

FRUIT TREE

Pruning & Care

Take care of your fruit trees this winter. This workshop will cover winter pruning and dormant spraying of your fruit trees so they are in the very best shape to produce well next summer. Will will also discuss fertilizing and best irrigation practices for the summer months. We will have a hands-on demonstration of pruning in Grace Garden orchard, weather permitting.

Saturday, January 20, 2018

9 a.m. to 11 a.m.

Grace Garden

United Methodist Church,

1620 Anderson Road, Davis, CA 95616

Presented by UCCE Master Gardeners-Yolo County. For more information, contact 530-666-8737, mgyolo@ucanr.edu, <http://yolomg.ucanr.edu/>
