Volunteer Events

University of California

Agriculture and Natural Resources ■ Master Gardener Program

AgVenture Lodi

- February 27th 8 am – 1:30 pm
- Lodi Grape Festival Grounds

University of California

Agriculture and Natural Resources | Master Gardener Program

Smart Gardening Conference

- March 3rd, 2018
- Registered: 42-197

University of California

Agriculture and Natural Resources | Master Gardener Program

- Keynote: Ernesto Sandoval, Director UCD Botanical Conservatory
- Classes:
- Opportunity Gifts: Looking for items or services
- Goodie Bags: Coming along
- Displays: Need repurposed displays

Ripon Community Garden

- March 1, March 15, April 5, April 19, May 3, and May 17
- 10:00-11:30
- Would like MGs to join them in the garden as the kids are harvesting/gardening.
- No formal presentation
- Will be added to VMS calendar

2019 Training Timeline

- 2019 Applications will be ready late March
- Deadline will be mid September, 2018
- Orientation and interviews completed by mid-November
- Training will begin Jan. 30, 2019
- Start thinking about how you would like to be involved in the next training (planning, interviews, etc)

Weekend Workshop Helpers

- Opportunities are now on VMS for workshops
- Responsibilities:
 - Getting people signed in and making sure emails are provided – at each class (for Statewide Survey)
 - Passing out handouts/raffle tickets
 - Helping to set up/take down the room

University of California

Agriculture and Natural Resources ■ Master Gardener Program

Weekend Workshops as CE

- Weekend workshops have been added to VMS to help you remember the event and to log your hours
- Signing up on VMS under the “CE” calendar does not mean you are signing up to be a volunteer/helper.

Agriculture and Natural Resources ■ Master Gardener Program

Rose Diagnostic Guide Project

- Work from home project in collaboration with Karrie
- Creating a diagnostic guide (binder inserts) that has common rose diseases
- Will be used for Rose Trials
- Sign up in the back

University of California

Agriculture and Natural Resources ■ Master Gardener Program

Demo Garden Website

- Need someone to help organize and collect info for each garden section and plants in each section
- I will build the website (so you don't have to worry about learning how to build websites)
- Would also be responsible for helping me update plant listings
- Sign up in the back
