

COMPOSTING and

VERMICULTURE

Friday, March 23, 2018

Noon to 2 p.m.

Arthur F. Turner Library

1212 Merkley Avenue

West Sacramento, CA 95691

916-375-6465

Learn how easy it is to compost and raise worms! UCCE Yolo County Master Gardeners will show you what's good to compost and how to do it. There will be a working "worm farm" as well, with how to care for and harvest the critters.

Bring your garden questions for Q&A after the workshop.

Presented by UCCE Master Gardeners-Yolo County. For more information, contact 530-666-8737, mgyolo@ucanr.edu, <http://yolomg.ucanr.edu/>
