LEAF Climate Friendly Gardening Workshops and Earth Day Event

Saturday, April 7th from 11 am to 1 pm

Gardening in Containers

Make the most of your space by using containers to plant vegetables. Learn about plant selection and see many examples of containers. Master Gardeners will be available to answer your questions.

LEAF Center, 36501 Niles Blvd at Nursery Ave, Fremont

LEAF Earth Day

Sunday, Apr 22nd
10 am to 3 pm

Veggies seedlings from our LEAF Nursery
Fresh honey from our happy buzzing bees
Informative booths with games or giveaways
Live music to sing your heart away
Yummy food to satisfy those hunger pangs

LEAF Center, 36501 Niles Blvd at Nursery Ave, Fremont

Saturday, May 5th from 9:30 to 12:00 noon

Building and Filling a Planter Bed

Learn about the importance of good soil to grow healthy veggies and how to build a simple raised bed. Attendees can participate in soil preparation and building the planter box.

C.R. Stone Garden, 55 Mowry Ave near Mission Blvd behind Mission Valley Vet Clinic, Fremont
