

BACKYARD and **WORM**

COMPOSTING

Woodland Community College Public
Education Workshop

Saturday, May 19, 2018
9 a.m. to 11 a.m.

2300 E. Gibson Road, Building 400
Woodland, CA 95776

Learn how to turn lawn clippings and garden waste into a valuable soil amendment, and learn about the City of Woodland's new organics recycling services. UCCE Yolo County Master Gardeners will teach the workshop and have free worms available.

Presented by UCCE Master Gardeners-Yolo County. For more information, contact 530-666-8737, mgyolo@ucanr.edu, <http://yolomg.ucanr.edu/>
