Grant info.: Applications are due March 8, 2019 online at <https://www.cdfa.ca.gov/oefi/sweep/>
The SWEEP provides financial assistance in the form of grants to implement irrigation systems that reduce greenhouse gases and save water on California agricultural operations. Eligible system components include (among others) soil moisture monitoring, drip systems, switching to low pressure irrigation systems, pump retrofits, variable frequency drives and installation of renewable energy to reduce on-farm water use and energy.

Please feel free to contact us if you need special accommodations.
