

# Free Gardening Class!

## Soil Fertility: Composting and Cover-Cropping for the Backyard Gardener

THIS CLASS WILL COVER THE BASICS OF HOW TO BUILD SOIL ORGANIC MATTER IN YOUR GARDEN THROUGH HOME COMPOSTING METHODS AND COVER-CROPPING

- Learn about various composting setups you can create in your own backyard, including using worms!
- Discover the magic of cover-cropping and how it builds organic matter in the soil
- Understand how increasing soil organic matter can increase fruits and vegetables' nutrition content which contributes to their increased productivity
- Get your questions answered

Saturday, February 23<sup>rd</sup> 2019  
10 – 11:30 am

Hanna and Herbert Bauer Memorial Garden  
137 N. Cottonwood St  
Woodland, CA 95695  
Garden is on the west side  
of the building

To register (required) by February 22<sup>nd</sup>:  
[david.linebarger@yolocounty.org](mailto:david.linebarger@yolocounty.org)  
530-666-8429

*Please wear shoes that can get muddy and dress appropriately for the weather, as the class is outside in the garden; heavy rain will postpone the class*

Class taught by UC Master Gardener – Yolo  
County  
and  
David Linebarger – Garden Manager
