Exotic

Fruits

Featuring Avocados, Bananas and Guavas

Woodland Community College Public Education Workshop

Saturday, March 16 2019
9 to 10 a.m.
2300 E. Gibson Road
Building 400
Woodland, CA 95776

Joselito Real, California Rare Fruit Growers member, will give you useful tips on how to grow avocados, bananas and guavas in your own yard, and how to care for them to be very productive.

Presented by UCCE Master Gardeners-Yolo County. For more information, contact 530-666-8737, mgyolo@ucanr.edu, <http://yolomg.ucanr.edu/>
