

# Free Gardening Workshop

## *The Threat to Citrus in Your Garden!*

“Greening Disease” is here and a deadly threat to *your* citrus trees. Monique Rivera, Entomologist and Assistant Specialist in Cooperative Extension, will emphasize the threat of Huanglongbing (HLB, “Greening Disease”) to our garden citrus—as well as to the livelihood of the California citrus industry. Learn the most updated Asian Citrus Psyllid (ACP) and HLB detection challenges and treatment strategies. Become familiar with best practices to prevent ACP from spreading in your community. This workshop is a must for all who grow citrus in their gardens!

**WHEN:** Saturday, April 13, 2019, 10 a.m.

**WHERE:** Western Municipal Water District  
14205 Meridian Parkway, Riverside, CA 92518

Presented by WMWD & UCCE Riverside County Master Gardeners
