

How to be a Healthier Gardener

Woodland Community College Public Education Workshop
at the Annual Spring Plant Sale

Saturday, April 6, 2019

11 a.m. to Noon

Woodland Community College
2300 E Gibson Rd., Bldg. 400
Woodland, CA 95776

Gardening is a fun and rewarding activity, but did you know that it could affect your health? Learn from UC-Yolo Master Gardeners Sharon Schwartz and Peg Smith about the health challenges that can affect gardeners, and what you can do to limit your tasks.

Presented by UCCE Master Gardeners-Yolo County. For more information, contact UCCE Master Gardeners-Yolo County, 530-666-8737, mgyolo@ucanr.edu <http://yolomg.ucanr.edu/>
