

# TIPS FOR A SUCCESSFUL SUMMER VEGETABLE GARDEN

---

**Learn techniques from Master Gardeners for successful summer growing!**

Master Gardeners will offer suggestions and teach techniques for success in growing the common summer vegetables and herbs that do well in our climate, with a special emphasis on tomatoes. Even if you have already planted, there will be many useful ideas about how to get better results. Bring your questions!

**When:** May 19 at 12pm

**Where:** Master Gardener Trials Garden  
(at Gardens at Lake Merritt), 666  
Bellevue Ave, Oakland [View Avenue](#)
