

# Dealing with Common Garden Pests

**10:30 a.m. to Noon  
Tuesday, June 18, 2019**

**Community Center**

1075 West Capitol Avenue  
West Sacramento, CA 95691  
916-617-5320

UCCE Master Gardeners-Yolo County will discuss ways to deal with everyday garden pests we find in our area without using harmful chemicals or traps. Share how you deal with aphids, birds, bugs, cats, dogs, gophers, squirrels and other critters. Be sure and bring your gardening questions to the Q&A afterwards.

Presented by UCCE Master Gardeners-Yolo County. For more information, contact UCCE Master Gardeners-Yolo County, 530-666-8757. [mgyolo@ucanr.edu](mailto:mgyolo@ucanr.edu)
