

# FIFTH ANNUAL COMMUNITY HARVEST DAY

---

## EVENT DETAILS

**Truett Hurst Winery**  
5610 Dry Creek Rd  
Healdsburg, CA 95448

**Saturday, August 24th**  
8:45am - 2:00 pm

To avoid the heat of the day we'll gather at 8:45am and begin harvesting by 9:15am. On-farm lunch to follow.

**Cost: \$30**

Includes morning coffee, and baked goods made with flour freshly milled from last year's community harvested wheat. Also includes a local organic lunch, wine, and crusty sourdough bread baked with Honoré flour.

Come get your hands and boots dirty! We'll gather for an epic day of harvesting grain by hand with live music to accompany our work. It's great fun, requires no previous experience and is appropriate for all ages. After the harvest, we will serve an outstanding on-farm lunch to celebrate our success. This harvest party will also be filmed by a professional crew for a documentary project as the interest in our work continues to spread.

---

**What to Expect:** You and your friends and family will have a chance to harvest, thresh, winnow and mill our field of four varieties of heirloom wheat. We will harvest by hand using a sickle, which might be a first for most of us. During the harvest, there will be plenty of coffee, and baked goods made with Honoré-grown wheat, freshly stone-milled, to nourish us while we work.

When we finish, we will move from farm to table to enjoy a delicious lunch featuring wines from Truett Hurst Winery along with crusty Honoré sourdough bread. You will even be able to pre-order your supply of flour made from the grain you will harvest for your upcoming baking needs!

From children to grandparents, all ages are welcome and needed for the harvest. Please bring sunscreen, a hat, gloves and a water bottle!

---

**Special Thanks:** We would like to thank our host farm, Truett Hurst Winery, for their donation of land for this project. Without them this wouldn't be possible.
