

Gardening for Pollinators— You Can Make A Difference!

UC Master Gardeners - Yolo County
will present a free public workshop

California's Pollinators
9:30 - 10:30 AM, February 29, 2020
at Central Park Gardens

(corner of 3rd and B Sts, Davis)

For more information: yolomg.ucanr.edu or ph 530-666-8737

Join us for this workshop and learn about the pollinators that you are likely to see in your landscape and get some tips on what you can do to create a habitat to support them. We will share information about our native bees, butterflies, and hummingbirds as well as the plants and garden features that help them thrive.
