

Grape Pruning Workshop

Woodland Community College Public Education Workshop

Saturday, Feb. 8, 2020
10 a.m. to 11:30 a.m.
2300 E. Gibson Road
Building 400
Woodland, CA 95776

UCC-Yolo Master Gardener Doug Mackenzie will present strategies for developing vines from recently purchased plants to fully developed vines, and for pruning fully mature vines. Concepts of vine structure, crop control, pest management, and vine physiology will be discussed. .

Participants will be able to experience pruning vines at the WCC demonstration garden after the lecture. Please bring clippers and/or mini-loppers.

Presented by UCCE Master Gardeners-Yolo County. For more information, contact 530-666-8737, mgyolo@ucanr.edu, <http://yolomg.ucanr.edu/>
