Basic Citrus Care

10:30 a.m. to 12:30
Tuesday, February 4, 2020
Community Center
1075 West Capitol Avenue
West Sacramento, CA 95691
916-617-5320

From tangy midwinter snacks to refreshing summer beverages, citrus fruit is a welcome treat. UCCE-Yolo Master Gardeners will talk about growing these attractive evergreens from planting to harvest. And be sure to bring your general garden questions for the Q&A after the workshop.
