

# Kern County Presentation Day 2020

Unfortunately, our traditional Presentation Day has been canceled. I would like to propose a virtual alternative. We can meet without meeting with Zoom software. Please register your presentation as normal by completing the survey here:

<http://ucanr.edu/2020kernpresentationday>.

Use the information on these pages and the presentation manual to prepare your presentation. You will use your phone, your computer or whatever else you have to present on a Zoom Webinar. Let's make this webinar happen on April 25<sup>th</sup> to give you some extra time to prepare. For members who have already made a fun video, use the Share the Fun category and enter it in Presentation Day.
