

Rabbit Showmanship Supplemental Video Instructions for June 2020 San Mateo County 4-H Virtual Livestock Show

This is your opportunity to demonstrate an effective examination, evaluation, and posing of your rabbit. Please refer to the general video requirements provided by Virtual Show Stock: <https://ucanr.edu/sites/smsf4h/files/327570.pdf>

You will be scored based on your appearance and your physical examination of your rabbit. Based on the [ARBA standard showmanship](#) guidelines we expect you to:

- Carry your rabbit to the table
- Pose your animal for initial evaluation
- Evaluate all sides of your rabbit
- Evaluate the sex of your rabbit
- Return your rabbit to the table for a final pose

As you examine your rabbit please talk out loud letting the judge know what you are doing and looking for. At the end, please tell the judge one thing you like about your rabbit and another that you would change if possible. As a reminder, do not state your name, club, breeder or any details about your project in the video.

Your video should be no longer than 6 minutes.
