

Poultry Showmanship Supplemental Video Instructions for June 2020 San Mateo County 4-H Virtual Livestock Show

This is your opportunity to demonstrate an effective examination, evaluation, and posing of your bird. Please refer to the general video requirements provided by Virtual Show Stock: <https://ucanr.edu/sites/smsf4h/files/327570.pdf>

You will be scored based on your appearance and your physical examination of your bird. Based on the [4-H Poultry Showmanship National Standard](#) guidelines, we expect you to:

- Carry and hold your bird
- Examine your bird
- Pose the bird on a table
- Walk the bird along the table and turn the bird around
- Return your bird for a final pose

As you examine your bird, please talk out loud to let the judge know what you are doing and looking for. At the end, please tell the judge one thing you like about your bird and another that you would change if possible. Primary members (5-8 years old) are not required to speak unless they wish to. As a reminder, do not state your name, club, breeder or any details about your project in the video.

Your video should be no longer than 6 minutes.
