San Joaquin County

Noxious Weed Mapping Program

To eradicate Noxious Weeds of San Joaquin County, San Joaquin County Resource Conservation District and the San Joaquin County Ag Commissioner's office are teaming up to map where larger populations are located. Please join in the effort and report weed populations to the SJCRCD.

Noxious Weeds that are being targeted are...

European Frogbit

Mexican Pokeweed

Slender Russian Thistle

and many more.

Visit the SJCRCD.com/Programs for the full list of San Joaquin County Weeds.

Program COVID Update

- July 16th ANR moved us from Stage 2 to Stage 1
- Ag Center has cancelled all room reservations through December
- Any volunteers coming back (Demo Garden) will need to go through a quick safety/procedure training

COVID Safety Training

- Live Zoom training next Wednesday **August 26th**
- 7:00 pm (shouldn't take more than 30 min)
- Will be recorded – those that watch the recorded version will need to answer 3 easy survey questions after they have watched it
