Agriculture and Natural Resources | Master Gardener Program

**HOW ARE YOU
DOING?**

University of California

Agriculture and Natural Resources ■ Master Gardener Program

What are we doing?

- Helpline Office is being checked
- Newsletter team is working on summer edition
- Blog writers are still contributing to the Stockton Record weekly
- EFB Garden was planted a few weeks ago

Agriculture and Natural Resources ■ Master Gardener Program

New Hire

- Jazmyne Wright started today
- Office Worker II, temporary
- She is working part-time right now
- Her appointment is for a maximum of six months, with the opportunity to stay on permanently

Plants Available – Morris Lacey

- 50 heirloom tomato plants and 12 each of Pineapple Sage, Mexican Sage, and Hummingbird Sage plants from our propagation efforts available.
- Giant Pumpkin plants for the 2020 Manteca Pumpkin Growing Contest.
 - Donations for the plants will go to the Manteca Sunrise Kiwanis for prize monies and community support of children services. We have 60 plants that need a home!

- Updates coming soon from ANR & I will pass any info onto you
- We are following UC ANR guidelines as well as SJ County guidelines

Questions, Ideas, Suggestions

University of California

Agriculture and Natural Resources ■ Master Gardener Program

- I will be out on medical leave
- Surgery scheduled for tomorrow (Tuesday May 19th)

-Relax David it's just a small surgery, don't panic.

-But doctor my name isn't David...

-I know I am David
